## The Pachena

The Pachena is a fine choice for day touring and weekend getaways. This is a highly versatile kayak designed to appeal to all skill levels. Whether exploring a quiet cove, stalking trophy fish, or playing in the surf, the 14' Pachena will carry you in comfort and style.

The Pachena's short length and light weight offer responsive handling, combined with a remarkable degree of stability and easy tracking. With the Pachena there are no surprises - just the pure joy of paddling; unlike other short touring kayaks, comfort has not been sacrificed.

An extra long cockpit and nicely detailed interior make the Pachena a true pleasure craft. Poke around the harbor, explore along a shore, or escape for a weekend outing - the Pachena can do it all.
